Frame Compatibility	Designed for use with compatible Multi-Message Sign Frame No. 1 arrangements where the frame configuration accepts 600x600mm corflute panels and the overall lane closure sign arrangement is suitable.
Warranty	UAGS Corflute Sign Warranty, 1-year limited coverage

TYPICAL USE

Roadworks, emergency repairs, utility works, civil works, resurfacing works, temporary lane closures, event traffic management, traffic switches, worksite access changes and other temporary traffic management layouts where a Lane Closed message is specified.

DEPLOYMENT

Lane closure message panel used to display a LANE CLOSED message as part of a broader temporary traffic management arrangement where a lane is closed, unavailable or restricted under the applicable site arrangement. Selection, placement, pairing, visibility, frame arrangement and use remain subject to the applicable TMP, TGS, lane closure arrangement, site arrangement, project requirements, site conditions and relevant authority requirements.

ORDERING
