Substrate	6mm UV stabilised corflute
Frame Compatibility	Intended for compatible modular multi-message sign frame arrangements that accept 300x600mm lane-status component panels
Warranty	UAGS Corflute Sign Warranty, 1-year limited coverage

TYPICAL USE

For use where a right-turn lane-status symbol is specified as part of a compatible lane-status sign arrangement, TGS, TMP, roadwork site arrangement, lane direction arrangement or project requirement.

DEPLOYMENT

Provides a right-turn lane-ahead symbol for modular TM10 Series lane-status sign arrangements. Selection, panel combination, lane count, arrow direction, sign sequencing, frame arrangement, placement, display timing and use remain subject to the applicable TMP, TGS, lane arrangement, site conditions, project requirements and relevant authority requirements.

ORDERING
