TYPICAL USE

Temporary traffic management arrangements where road users need notice that a road is closed to traffic, subject to the applicable TMP, TGS, statutory permissions, physical closure treatments, site conditions and authority requirements.

DEPLOYMENT

Road closure message panel used where a road is physically closed to traffic as part of a broader temporary traffic management arrangement. Selection, placement and use remain subject to the applicable TMP, TGS, project requirements, statutory permissions, physical closure treatments, site conditions and relevant authority requirements.
